Distribution of Cable Royalty Funds

**CONSOLIDATED
DOCKET NO. 16-CRB-0009-CD
(2014-17)**

**JOINT PETITION TO PARTICIPATE
OF PUBLIC BROADCASTING SERVICE**

Public Broadcasting Service (“PBS”), on behalf of copyright owners of programs broadcast on U.S. noncommercial educational television stations that are retransmitted by cable operators (the “Public Television Claimants”), hereby submits this Joint Petition to Participate in response to the Copyright Royalty Judges’ Notice published at 84 Fed. Reg. 2930 (February 8, 2019). PBS and the Public Television Claimants submit this Joint Petition to Participate in both the Allocation and Distribution Phases of this cable royalty proceeding for the years 2014, 2015, 2016, and 2017. A \$150 filing fee accompanies this filing.

PBS and the Public Television Claimants have a significant interest in the subject matter of this proceeding because they own or represent owners of copyrighted works broadcast on U.S. noncommercial educational television stations that were retransmitted by cable operators during the relevant period. PBS has served as the sole representative of the public television (“PTV”) claimant category in every cable royalty distribution proceeding since the 1978 proceeding and has received a share of the cable compulsory royalty funds for each year that the funds have been distributed.

The undersigned hereby certify that they have the authority and consent of PBS and the Public Television Claimants named in Attachments A, B, C, and D to represent them in this cable royalty distribution proceeding, as indicated.¹

March 11, 2019

Respectfully submitted,

/s/ Ronald G. Dove, Jr.

Joint claimants include all of the claimants within the identified joint claim whose programming falls within the PTV program category. For ease of reference, we have also listed the claimants that are included within PBS's joint claim.

* PBS expects that the claimants noted with an asterisk will confirm their authorization and consent to be represented by PBS.
